- d. Oasis Sponsor Clean-up: Auto-Liv is looking to partner with us at Oasis Garden. Come in Oct 18th and clean up the garden for Winter. Thinking 10am-12pm. Need volunteers to host the clean up. Please contact Shila or Cindy if you are able to help out.

3. Mentoring- Kym Buttschardt 7:15-7:40pm

Mentoring within the League: What am I going to learn from these people and what can I share with them? Who have you been mentored by, and who do you think you have made an impact on? There is less formality to being a mentor than we think. The value of women to women mentoring is invaluable. The spirit of friendship is important. If you can be vulnerable with people, you can learn from them and they can learn from you. Meet people where they are at. Every girl is a leader, you just have to discover what they have to share. Be supportive of others and be authentic. Be honest with feedback in a supportive way. It is a give and take relationship. Take one step at a time.

Mentoring Jr. JLO during Witches Tea: Girls need exposure, experience, and expectations. Claïresse: Capping Witches Tea at 300 seats. Please sign up to volunteer

on Oct 26th and help one Jr. JLO'er serve one table at the tea. Also need help loading decorations and taking to the amphitheater.

4. Community Team Presentation 7:40-7:55pm

- a. Community Needs Assessment Findings: Reviewed Weber/Morgan Health department's needs assessment. JLO needs to decide which projects we go forward with. There are 6 items to choose between: Homelessness, Ogden School District graduation rates, Heart Disease, Adult Obesity, High Suicide Rates and Mental Health Issues, and Teen Pregnancy.
- b. Discussion and vote: Paper ballots were handed out and we ranked each issue by importance. Community team will tally up the votes and give us the results at the next GMM.

Other Business: October 9th: 6-7:30pm-Social for Jr. JLO. All girls ages 10-16 and their parents are invited to attend.
